

KATHLEEN KILGOUR CENTRE

Leading Radiation Therapy

Permanent Treatment Lead Radiation Therapist

We are seeking a permanent Treatment Lead Radiation Therapist to join our dynamic team at the Kathleen Kilgour Centre. The successful candidate will be expected to exercise professional judgement to provide high level care in the delivery of radiation treatments and to supervise a small team of radiation therapists.

The hours of work for this role are 9am to 5:30pm with the flexibility to work 10am to 6:30pm at times. This vacancy is a full time position at 40 hours per week Monday to Friday but for the right candidate a minimum of Wednesday, Thursday and Friday (24 hours) could be considered.

The Kathleen Kilgour Centre is a privately owned Radiation Oncology Centre situated on the Tauranga Hospital campus. We provide both publically funded and private contemporary radiation oncology services to patients in the Bay of Plenty region and beyond.

We are keen to hear from you if you would like to join our enthusiastic team, particularly if you are familiar with the entire Elekta radiation oncology solution.

Our centre has three Versa HD linear accelerators, Monaco treatment planning system, MOSAIQ and a flexitron HDR unit. We also have a dedicated Toshiba wide bore CT scanner.

Essential Qualities:

- Registration or eligibility for registration with the New Zealand Medical Radiation Technologists Board (MRTB).
- A current MRTB issued practicing certificate in the radiation therapy scope of practice with no conditions.
- Demonstrated ability to work successfully in small teams to provide a high standard of patient care.
- Demonstrated self-motivation with initiative and ability to cope with dynamic work practices.

We offer a competitive remuneration package and a flexible working environment for the right people. Head to our website <https://www.kathleenkilgourcentre.co.nz/career-opportunities> to view the full position description.
